About
Eternity Tiles + Bath +Home

Since 2013, Eternity Tile Bath and Home has been a trusted name among Perth builders, supplying an extensive range of high-quality tiles. Our dedication to quality and service has earned us a respected position in the industry, and we continue to evolve to meet the needs of our clients.

We introduced our newly curated range of premium quality fittings and fixtures. This expansion allows us to offer a comprehensive selection of products that cover all aspects of kitchen, bathroom, and laundry fit-outs. Our products are sourced from both local and international suppliers, ensuring that we provide the best in quality and design.

At Eternity Tile Bath and Home, we are committed to excellence in every aspect of our business. From the quality of our products to the level of our customer service, we aim to exceed expectations and build lasting relationships with our clients.

- Wholesales Accounts Manager

Talk to us today to give you the best position in the current market and whatever you need we can work together to make it happen.

Phone Number: 0451 881 676
Email: Wholesales@eternitytiles.com.au

Our one stop solution has you covered.

At Eternity Tile Bath and Home, we understand that value is not only about price. In current times, when supplies are delayed and trades and services are stretched to breaking point, our One Stop Solution ensures your projects stay on track and meet the highest standards.

Comprehensive Product Range: Find tiles, bathware, tapware, and vanities all in one convenient location, simplifying the selection process and saving you time.

Streamlined Process: Enjoy the ease of having one dedicated contact from selection and order placement through to supply and delivery. This ensures clear communication and a smooth, hassle-free experience.

Locally Warehoused Stock: With our locally warehoused products, you benefit from excellent availability and timely supply, ensuring your project progresses without unnecessary delays.

Tile Installation Services: Beyond supplying high-quality products, we offer professional tile installation services to ensure your project is completed to the highest standards.

We are committed to providing exceptional service and support throughout your project journey. We are dedicated to making your experience seamless and enjoyable.

- Fair wear and tear (e.g., worn seals in inlet and outlet valves, scratches from cleaning, etc.)
- Incorrect storage or handling of the product prior or after installation.
- Failure to properly install, use, or maintain the product, or failure to follow the installation, usage, or maintenance guidelines
- Faulty design of any system in which the product is used
- Continued use of the product after a defect becomes apparent, or should reasonably have become apparent to a prudent operator or user
- Any accident or act of God

Limitation of liability

To the fullest extent permitted by law and subject to and without limiting your consumer rights under the Australian Consumer Law, Eternity Tiles + Bath + Home expressly limits its liability under it Eternity Tiles + Bath + Home Warranty and under any other statutory guarantee imposed to law;

- The replacement or repair of the product; or
- The supply of an equivalent product; or
- The payment of the cost of the product or of repairing the product or of acquiring an equivalent product; or
- In the event the product is unavailable or unable to be supplied and replacement is required, Eternity Tiles + Bath + Home reserve the right to supply a product of equal quality, value and type at their absolute

To the fullest extent permitted by law, Eternity Tiles + Bath + Home to reasonable extent excludes :

- All liability for damage or injury to any person
- Damage to property
- Loss of profit, loss of revenue, loss of use, loss of business, loss of opportunity, loss of goodwill, loss of contracts, loss of production, business interruption or any kind of indirect, special or consequential loss damage arising in connection with defective product
- Customers are expected to minimise damagers at the first sight of any malfunction.

Product Care and Maintenance

Your quality products have been carefully selected to comply with Australian standards and water efficiency labeling standard requirements for providing outstanding design, appearance, and durability, to ensure that you receive the longest lasting product life possible, we recommend the following general advice for care and maintenance of your products.

- Clean only with warm, soapy water or detergent. Do not use caustic chemicals, aerosol sprays or cream cleansers or bleach-based chemicals.
- Use micro fiber cloth. Never use an abrasive brush, pad to clean your products.
- Wipe surfaces clean and thoroughly rinse with water immediately after using any cleaner or solution for tapwares.
- Clean cabinets and mirror with damp micro fiber cloth only.

ETERNITY TILE + BATH + HOME

@2025 Eternity

WARRANTIES - ETERNITY BATHWARE RANGE

WARRANTY SHALL BE VOID FOR THE FOLLOWING REASONS

Inability to provide proof of purchase or equivalent documentation from an authorised retailer.
The product is not installed by a licensed installer.
The product is not installed in accordance with relevant Australian Standards, NCC, and state regulations.
The product is not installed in accordance with the manufacturer's installation guide.
Water pressure exceeds stated limitations as per the product installation instructions.
Hot water system delivery temperature at outlet exceeds 65 degrees Celsius.
Isolation stop taps are not fitted as per AS/NZS 3500.5:2000 requirements for appliances and apparatus.
Unauthorised modification is made to a product, e.g., water filters, stop valves, or replacement of parts with non-genuine components.
Incorrect use or application of the product.
The defect results from obstructions due to an inadequate flushing system before use or problems caused by the water supply (including foreign materials, thread tape, silicone, copper shavings, corrosion, and excessive water pressure over 500kPa as per AS3000).
Failure to regularly clean or replace dirty or blocked tapware aerator inserts and/or shower heads, etc.
Failure to inspect braided stainless steel flexible hoses for signs of bulging, rust, wear, moisture, breaks, kinking, staining, corrosion, or discolourtion.
Failure to install a flow regulator in tapware or showers, or a check valve in hand showers or spray mixers.
Damage to finishes caused by adhesives, sealants, abrasive cleaners, scourers, scrubbers, or polishes, etc.
Damage to any surface, finish, or protective coating caused by abrasive or harsh substances such as bleach, oil, polish, acid, solvent, disinfectant, dye, degrease, aerosol, etc.
Exposure of chrome surfaces to ferrous metal or oxidants (including substantial or prolonged contact with steel wool, bleach, hard water, etc.) as claims for visual defects to the product's surface will be rejected.
Installation or removal costs incurred after the installation of products with obvious or visible faults.
Damage caused to the product during installation or post-installation use.
Damage caused by misuse or abuse of the product as determined by Eternity Tile + Bath + Home.
Where a product is coupled or used with another brand's product, the warranty is limited to the Eternity Tile + Bath + Home product only.

It is the responsibility of you and/or the installer to ensure that prior to installation:

- The product is not damaged
- Product is as per selection and invoice
- Product has all components

Following the installation of your products, it is your responsibility to ensure all required maintenance is performed.

HOW TO MAKE A WARRANTY CLAIM

Claims must be sent to **warranty@eternitytiles.com.au** with the following information:

- Client address and contact details
- Proof of purchase/Invoices
- Images/video of faulty product
- Description of defect

If an Eternity Tiles + Bath + Home warranty service call finds that your product does not have a genuine manufacturing defect, Eternity Tiles + Bath + Home reserve the right to charge you a service fee.

Call out Chargers:
Note: In event of a call out for issues of genuine product manufacture issue, no call out fees will apply.
If the product is deemed not to be a manufacturing defect, or the issue does not fall within the warranty terms and conditions, the following charges will apply:

- Call out fee: $150 (excl. GST) - includes initial cost and first 15mins.
- Additional time: $25 (excl. GST) per 15mins after thereafter on site.
- Call out hours: 9am-5pm Monday - Friday.
